CY2017 Annual Summary of Internal Affairs Investigations

In accordance with CALEA Standard 52.1.5 and the KCSO Administrative and Operations Manual, Chapter 7, Section 308, the following information is provided regarding Internal Affairs Investigations for CY2017.

During CY 2017, the KCSO conducted one (1) Internal Affairs Investigation. This investigation involved an external complaint regarding conduct unbecoming of a KCSO employee. The complaint was investigated by KCSO command personnel. The complaint was sustained and the employee was disciplined by the Sheriff. The employee has been monitored by the Sheriff since the incident and no similar complaints have been made regarding the employee's conduct.

The KCSO operates in compliance with CALEA Standards and the Law Enforcement Officer's Bill of Rights (LEOBR); therefore I do not believe that the KCSO needs to amend any of its rules, regulations or policies regarding Internal Affairs Investigations.
