

KENT COUNTY SHERIFF'S OFFICE

2021 ANNUAL REPORT

Greetings:

We are very proud of the level of service which the Kent County Sheriff's Office delivered to the

citizens of the County during 2021. We are dedicated to maintaining a safe and secure environment for the citizens of Kent County. Statistics alone, however, do not tell the full story of our accomplishments. We have made significant progress in many areas which demonstrate our commitment to our vision:

The Kent County Sheriff's Office is a first-class law enforcement agency, delivering superior service to the citizens of Kent County.

Law Enforcement Accreditation In 2003 the Kent County Sheriff's Office became the first Eastern Shore Sheriff's Office to achieve accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA). Your Sheriff's Office remains in compliance with more than 464 law enforcement "best practices." We now proudly display the CALEA logo on our uniforms and marked vehicles. In November 2019, the Kent County Sheriff's Office received their sixth Certificate of Accreditation.

Kent County Narcotics Task Force The Task Force is comprised of Kent County Sheriff's Office, Maryland State Police, Chestertown Police Department and Maryland Natural Resources Police. In 2021, Thirty-One (31) search and seizure warrants were executed resulting in Sixty-three (63) arrests for possession or distribution of narcotics.

Commercial Vehicle Enforcement Team In March 2009, the Kent County Sheriff's Office entered into a partnership with the Maryland State Highway Administration's Motor Carrier Division to enable KCSO Deputies to perform routine commercial vehicle enforcement inspections based on the North American Standard (NAS Standard). During 2021, KCSO Deputies performed 217 CMV inspections that resulted in 160 violations. At the conclusion of 2021, seven (7) Kent County Sheriff's Office Deputies had earned their certification through the Maryland State Police Commercial Vehicle Enforcement Division to perform routine commercial vehicle enforcement safety inspections.

We want to be fully responsive to the citizens of Kent County and serve you in the best way we can. We would welcome any comments or questions you have about this report. Visit our website, www.sheriff.kentcounty.com or contact us using the below information:

MISSION STATEMENT AND CODE OF ETHICS

The Kent County Sheriff's Office is a full-service police agency responsible for enforcing the

laws of the State of Maryland within the County. The Sheriff is also responsible for serving legal papers at the direction of the District and Circuit Courts of the County, providing security for the Kent County Government Building and the Kent County Courthouse. The men and women of the Kent County Sheriff's Office are dedicated to service through superior performance. We believe mutual respect, trust, and pride in our organization, combined with traditional values and innovative techniques, will ensure the community's right to a safe environment.

New in 2021 - Body Cameras

In August of 2021, the Kent County Sheriff's Office began using Axon body worn cameras. This is not a police mandate until 2025 for Kent County, but Sheriff Price, the Deputies, and Kent County Government wanted to move forward with body worn cameras. The Sheriff's Office has had in-car cameras for years, but it has its limitations. We continue to use in-car cameras, that with the body camera helps to show the entire event from beginning to end.

We have already seen the benefit the body worn cameras have had in policing. The evidence that is captured on the body camera is quite convincing and helps the States Attorney's Office successfully prosecute cases. The Kent County community overwhelmingly supported their police to have body worn cameras, this gives a level of transparency that helps to increase public confidence. We also use the camera footage for training deputies to ensure they have the skills to handle the wide range of scenarios facing police officers today.

The use of body worn cameras is expensive, but the value it has to everyone is priceless. When a Kent County Sheriff's Deputy is handling a call, you can expect to hear the words, "You are being audio and visually recorded".

UNIFORM CRIME REPORTING – UCR

The Maryland UCR Program is one component of the State's Criminal Justice Information System (CJIS). It establishes a method to collect, evaluate and process uniform statistical data on statewide

crime. The Maryland UCR Program provides a means to consolidate the relevant data into a statewide report that can be provided to state, local and federal government agencies. The UCR Program collects statistics on the number of offenses known to law enforcement.

Part I Crimes include murder and nonnegligent homicide, rape (legacy & revised), robbery, aggravated assault, burglary, motor vehicle theft, larceny-theft, and arson to be reported to the UCR Program. These offenses were chosen because they are serious crimes, they occur with regularity in all areas of the country, and they are likely to be reported to police.

Part II Crimes are “less serious” offenses and include: Simple Assaults, Forgery/Counterfeiting, Embezzlement/Fraud, Receiving Stolen Property, Weapon Violations, Prostitution, Sex Crimes, Crimes Against Family/Child, Narcotic Drug Laws, Liquor Laws, Drunkenness, Disturbing the Peace, Disorderly Conduct, Gambling, DUI.

*in October of 2014 Maryland legislature de-criminalized less than ten(10) grams of Marijuana. (Change in Part II crimes starting from 2015 – present)
